8+ years designing digital products that move metrics, not just pixels. Led end-to-end design for gamified loyalty experiences used by millions at Tim Hortons, enterprise AI tools at Scotiabank, and 12+ client products as a startup co-founder. Brings a rare combination of systems thinking, behavioral design expertise, and quantified business impact to every initiative.

WORK EXPERIENCE

Tim Hortons - Toronto, ON

Senior Product Designer

FEBRUARY 2025 - PRESENT

- Owned end-to-end design of Roll Up To Win digital campaign, a gamified mobile experience that drove 15.3% YoY engagement growth and onboarded 3.1M users in a single season.
- Redesigned Tims Rewards loyalty UI with progress meters and tier-based hierarchy, lifting engagement 12.1% and repeat app sessions 5.6%.
- Overhauled onboarding and referral flows using JTBD frameworks and funnel analytics, increasing sign-up conversion 24.3% and new user acquisition 5.4%.
- Rebuilt the Figma design system with reusable components and a design QA checklist cutting design-to-dev handoff friction and accelerating delivery speed 50%.
- Designed account-linking partnership flows across mobile and web, simplifying multi-system integrations for 1.2M+ users.

Product Designer

FEBRUARY 2023 - FEBRUARY 2025

- Contributed to the design infrastructure and core product features that scaled Tims Rewards into a top-tier loyalty platform with millions of active users.
- Ran cross-functional design sprints and stakeholder workshops to align Product and Engineering on initiatives reaching 1.2M users.

Arbor Marketing - Newmarket, ON

Co-Founder and Digital Experience Architect

MAY 2019 - NOVEMBER 2023

- Co-founded and scaled a digital design agency, delivering UX/UI, branding, and web platforms for 12+ clients across fintech, retail, and professional services.
- Led discovery and strategy workshops that translated user research into prototypes, improving client KPIs an average of 60%.
- Designed and launched 12+ responsive websites on Wix and Squarespace, improving conversion sales 60% across client portfolios.

Scotiabank - Toronto, ON

Senior Associate – Digital Content

JANUARY 2022 - FEBRUARY 2023

- Designed the Technology Help Centre — a self-service portal that deflected IT support tickets by 26.7% within its first quarter.
- Led UX and brand design for CLOUDia, an AI-powered enterprise chatbot adopted by 1,100+ Scotiabank employees.
- Designed multi-channel digital campaigns reaching 400+ internal users, improving engagement 42.1%.
- Applied WCAG accessibility standards across internal platforms, lifting usability metrics 13.3%.

Digital Experience Designer

JUNE 2020 - JANUARY 2022

Multimedia Design & Communications

APRIL 2018 - JUNE 2020

MENTORSHIP

Figma Make AI Hackathon & Moscaic Design Hackathon
